Description

Welcome to MoonRaker Beach Apartments where the wind is always blowing and waves are always breaking.

Mookraker is situated in the quiet picturesque area of Coral House, Landsdown, Silver Sands in the Southern tip of Barbados.

A few minutes walk west along the sea front brings you to South Point Surf spot in Atlantic Shores and east brings you on to Silver Sands Hotel. Silver Sands is famous for Windsurfing in Barbados and was made popular by Club Mistral putting their shop there in the early 80's.

Although MoonRaker is located in the heart of the wind/kite and surfing belt of the south coast it is also well suited for honeymooners or couples who like a bit of fun and action during their stay with keeping that quiet and tranquil atmosphere.

Moonraker consists of 12 self contained apartments set in 6 acres of the Coral House property right in front of the ocean and small beach, locally known as Rescue Beach or Secret Spot.

Also on the property is Surfer's Bay Beach Bar and Restaurant. This rustic little beach bar has got all you need to ignite your palette and most of all....your peace of mind....in this little slice of paradise.
